

# Interquartz Gemini Cli 9335

## ***Telephony, Corded Business***

The Gemini CLI Telephone offers a whole host of benefits to business users and homeworkers including Caller ID, handsfree and headset compatibility, all for a very reasonable price. The Gemini CLI is also ideal for Centrex and Featureline users. As with all Interquartz models, the Gemini CLI is built to the highest standards, using high-impact plastic casing, double-injection moulded buttons and non slip rubber feet.
